Portland's Premiere Event
Consulting, Design & Rental Company

West Coast Event Productions, Inc. is an award-winning, full-service event production company with over 30 years of experience in the event industry. We are an inspired and seasoned team of event planners, designers and technicians committed to developing innovative solutions for special events.

Our comprehensive product line of event and wedding rentals, creative design services, and broad range of technical expertise have gained us recognition as one of the top ten event production companies nationwide. We have helped such distinguished clients as Microsoft, Nike, Coca Cola, Food Services of America, and President Barack Obama host outstanding events throughout the West Coast.

Our diverse team of professionals is at your service to ensure the flawless execution of your special event, be it an auction, product launch, trade show, corporate presentation, wedding, or private event.
